

Mixed Case Selection –

Summer is here (well almost), and with it the excuse for picnics, barbecues, watching the cricket and generally not doing much work. And, of course, all such activities require generous lubrication. So here is a chance to try some great wines without breaking the bank; all specially chosen for their quality, character and value, whether for quietly tasting at home, celebrating a special occasion or, for the exceedingly generous, to give as gifts. I can also make a bespoke selection should none of the cases listed suit. All wines offered subject to remaining available and selection may change should a wine be out of stock. Prices are inclusive of VAT and delivery within England.
