

New and Updated Fine Wine List May 2022

Provenance is everything, and, as we know where each wine has come from, and been stored this gives our list added value. There is, we believe, something on this list for everyone, regardless of budget – the quality of the wines is beyond question and whilst there are, of course, some high prices for the top wines from highly sought after growers, there are plenty of less high profile producers offering great contents at much lower prices. There are bargains to be found throughout this list and no wines are ‘tied’ to others.

The wines on this list are exclusively from private cellars and, with few exceptions, were bought by the owners *en Primeur* or upon release, and kept in first-class cellar conditions since purchase. All wines are sold on a first –come-first-served basis. All wines are available for immediate release, subject to usual conditions and subject to final confirmation. UK delivery will normally be handled by London City Bond and charges apply to all orders. Bond Transfer charges are £10.00 + Vat or at cost, whichever is the greater per consignment. International shipping can be arranged at cost using Connoisseur International.

I do hope you enjoy reading through our Fine Wine List and can find something to tempt you!

Kind regards,

Brian Peacock

Director
