

Autumn Mixed Case Selection

Autumn has arrived and with it cooler evenings, bringing relief to some (including me) as I look forwards to a better night's sleep and heartier dinners which require something other than ice-cold beer or cold, light dry white wines. I have also been bring some excellent Beaujolais and Chinon down to cellar temperature in the fridge but I always look forward to this time of year when there are so many seasonal foods to try.

So here is a chance to try some great wines without breaking the bank; all specially chosen for their quality, character and value, whether for quietly tasting at home, celebrating a special occasion or, for the exceedingly generous, to give as gifts. I can also make a bespoke selection should none of the cases listed suit.

All wines offered subject to remaining available and selection may change should any wine or wines be out of stock. If one particular wine in a mixed case offend, I am quite happy to exchange for another. Prices are inclusive of VAT and delivery within England. 10% off two cases or more
