

## Everyday Wine List – December 2022

A hand-picked list of wines to suit all budgets and occasions and ready for immediate delivery, although there will, inevitably, be occasional stock shortages, vintage changes and new arrivals. Unfortunately, owing to the current situation, there are sometimes longer delays than would normally be expected between wines arriving into our bond, and then being made available for delivery, for which I apologise in advance. Due to the dramatic increase in shipping costs brought about by Brexit there will, inevitably, be price increases although I will endeavour to keep these to a minimum, I am also seeking out new, exciting wines to enhance the list.

The wines are priced by the case but may be bought in 3s or 6s. Delivery within England is free for orders of 12 bottles or more over £200, otherwise £10 (delivery to other parts of the UK will be charged at cost). Delivery will be charged at £20 for all orders less than 12 bottles or at cost, whichever is the greater. All wines offered subject to remaining available. Do not hesitate to get in touch should you need more information or guidance when making your selection.

Best wishes, stay safe and drink well!
