

Spring Mixed Case Selection

It's officially Spring and has been so for two weeks, according to the Met Office. At least one thing is certain: the clocks will go forward at the end of the month and we'll start to get our evenings back. So we thought we should offer some suitable wines to celebrate the arrival of warmer weather and the chance to sit out in the garden and enjoy the blossom and a glass of wine, albeit tempered with a dose of realism to cater for the possibility that you might be sitting in front of the living room fire instead.

So here are a few suggestions for a selection of wines to take you through to Easter and beyond, all chosen for their quality and character and offered at exceptional prices, whether for drinking quietly at home, celebrating special occasions or giving as gifts. If one wine in a case should offend, we are happy to exchange it for another, and if none of the cases suit you we can also make a bespoke selection.

All wines offered subject to remaining available and selection may change should any wines become out of stock. Prices are inclusive of VAT and delivery within England. **10% off two cases or more**
